Training Location
AWPT - Guelph
French Program - Guelph

Canadian and/or US Holiday

AWPT Operator Training

- Includes theory, practical and familiarization components
 - In-depth theory and practical evaluations
 - Meets/exceeds intent of new International Standard ISO 18878 and applicable ANSI/CSA Standards
 - The IPAF/AWPT Program is recognized worldwide and has already trained over 250,000 operators
 - The PAL Card (Powered Access Licensed registration) is proof of high quality training and is issued upon successful completion of this course
 - Students also receive an Operators Package (valued at \$79.95 USD)
 - Training is delivered by Registered AWPT Instructors
 - The AWPT Program is geared for Generic AWP Training
 - The AWPT Program Content & Updates are agreed upon by industry representatives
 - Strict Instructor/trainee ratios ensure that operators receive optimum personal attention
 - Thorough evaluations confirm that trainees have the necessary skills to operate AWP's safely and effectively
 - This training is available at our AWPT Training Centers and on site (if conditions meet AWPT criteria)
-
- Cost per student is \$395 USD
 - Instructor travel expenses may apply
 - Discount considerations may include (scheduling, volume, Skyjack equipment order etc.)

Note: The cost per student does not include any concessions for student travel costs and expenses.

The number of attendees may impact duration of class

AWPT Instructor Training

- Registered AWPT Senior Instructors teach qualified persons the proper use and delivery of the AWPT Operator Training Program
 - Trainees will receive information on various training techniques and many practical training tips that will improve their overall professionalism and streamline the training process
 - This 2 day program is highly interactive and practical in nature and will require that trainees deliver a training session to the other participants
 - Upon successful completion of this course the trainee will receive a PAL Card (Powered Access Licensed registration) and will be registered with AWPT as an "Instructor"
 - Attendees will also receive a complete AWPT Instructors Guide (valued at \$129.95 USD)
 - This training is available at our AWPT Training Centers and on-site (if conditions meet AWPT criteria)
-
- Cost per student is \$790 USD
 - Instructor travel expenses may apply
 - Discount considerations may include scheduling, volume, Skyjack equipment order etc.

Note: The cost per student does not include any concessions for student travel costs and expenses.

The number of attendees may impact duration of class

TELEHANDLER
